I am looking for a suitable position in an organization where I can enhance my skills and knowledge while contributing my best to the growth of the organization. I am confident that my dedication, adaptability, and passion for continuous learning make me a valuable asset to any organization. I look forward to the opportunity to contribute to a dynamic and forward-thinking team, working towards shared goals and mutual success.

Work Experience

Intern - **Software Engineer (Flutter)**   *November 2022 - May 2023*

Elegant Media (Pvt) Ltd, Kohuwala (Full Time)

Took training on the Flutter framework using company-provided training material and online courses to learn more about related skills such as Flutter UIs, APIs, Git, GitHub and BitBucket.

- **Projects:** During my internship, I successfully undertook two projects, wherein I diligently implemented user interfaces in alignment with the provided design specifications. Additionally, I demonstrated proficiency in resolving UI-related issues and addressing various bug fixes.
  Tools & Technologies: Flutter, InVision, Firebase
